

RANCHO PALOS VERDES

### **Trails Network Plan Update Public Workshop**

The City of Rancho Palos Verdes is launching its much anticipated update to the City's Trails Network Plan (TNP). This undertaking consists of updating and consolidating all of its existing trails plans and documents into a single, comprehensive plan. As a part of the preparation of the update to the TNP, the City will be conducting a series of public workshops to reach out to community stakeholders and interested persons to identify any unique trail issues that should be addressed in the TNP update.

Please join us at the first TNP Update Public Workshop which is scheduled for **Wednesday, June 25, 2014 at 6:00 p.m. at the Rancho Palos Verdes City Hall Community Room located at 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275.**

As a way to obtain public feedback on the update, the City is launching a new social media platform for this project, called Mindmixer, to engage and increase public participation during this update process. Mindmixer is an online platform that provides opportunities for government and citizens to work together by connecting civic challenges, in this case trail routes and uses, to community based problem-solvers. The use of an online platform allows members of the community to contribute to the public participation process from their own homes and on their own schedules.

How will Mindmixer work for this project? During the public workshop process, questions that come up related to trail connectivity, use, and location will be posted on the Mindmixer platform. Staff will send electronic messages to list-serve subscribers that will link to the questions posted online. The questions will remain open for a few weeks to garner as much input as possible. Additionally, for those who typically visit the City's website for information on City projects, a Mindmixer widget will be added to the Trails Network Plan homepage to increase public usage and effectiveness.

For more information on the TNP update or to participate in the Mindmixer online platform on the TNP update, please visit the City's website at [www.palosverdes.com/rpv](http://www.palosverdes.com/rpv) under the Trails Network Plan homepage.

Inquiries should be directed to Ara Mihranian, Project Planner, at 310-544-5228 or via email at [aram@rpv.com](mailto:aram@rpv.com).
