Grandview Park

GRANDVIEW PARK - Sycamore Plan

RANCHO PALOS VERDES, CA
MIA LEHRER + ASSOCIATES

Lower Hesse Park History

- Currently improved with walking trails, a parking lot, and a volleyball court
- 1989 Parks Master Plan recommends 4-8 tennis courts, restrooms, improved parking, and landscaping
- 2005 The Open Space Planning and Recreation and Parks Task Force recommended that the City should decide whether it “should remain devoted to passive uses or be converted to a combination of passive or active uses.” Then the City should go through a facilitated design process
- Task Force’s recommendations were not adopted by Council

Lower Hesse Park History

2010 City Council Tactical Goal of improving underdeveloped park lands, including Lower Hesse Park

2010 Conceptual design approved after public outreach and design process with landscape architect

2012 Due to changing CIP priorities, and neighborhood concerns with approved 2011 design, Council directed staff to work directly with Pacific View HOA to scale back and phase in improvements.

Lower Hesse Park

Current Status

- Staff and the Pacific View HOA, at Council's direction, are actively meeting and working together on a draft plan
