NOTICE

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Rancho Palos Verdes will conduct a public hearing on Tuesday, August 25, 2015, at 7:00 PM at Hesse Park Community Building, 29301 Hawthorne Boulevard, Rancho Palos Verdes to consider the following:

HEIGHT VARIATION & SITE PLAN REVIEW (CASE NO. ZON2014-00283):

The proposed project includes a request to construct a new 841 square foot, second-story addition to the existing 2,609 square foot single-story residence. The residence will reach a height of 21'-7" as measured from the lowest finished grade adjacent to the structure (elev. 94.83') to the top of the highest ridgeline (elev. 116.40') of the addition. In addition, the applicant is requesting approval of a 120 square foot second story deck at the rear of the new addition

LOCATION: 3302 NARINO DR

PROPERTY OWNER: MR. ROBERT KERR

APPLICANT: **RUSSELL A. KELDORF**

The Height Variation procedure is for the construction of additions to existing residential structures that are proposed to be taller than sixteen (16') feet in height, but not to exceed a maximum height of twenty-six (26') feet when measured as defined in Section 17.020.040 of the Municipal Code (as amended by Proposition M). The City's primary concerns in reviewing a Height Variation application are the impacts of the structure above 16 feet in height on the views from neighboring properties and from public areas, its cumulative impact on the effected properties, compatibility of the proposed structure with existing surrounding uses (See Municipal Code Section 17.02.040), and potential privacy impacts. Section 17.02.030.B of the RPVMC requires a finding of "Neighborhood Compatibility" for the proposed second story addition. In making such a finding, the City will review the proposed project relative to the following criteria for the immediate neighborhood: 1) scale of surrounding residences; 2) architectural style and materials; and 3) front, side, and rear yard setbacks.

If you have any comments or concerns about the proposed project, please communicate those thoughts in writing to Associate Planner, Leza Mikhail, by Monday, August 10, 2015. By doing so, you will ensure that your comments are taken into consideration for the Staff analysis of the project. All correspondence received after the August 10, 2015 date will be given separately to the Planning Commission prior to the meeting. Please note that written materials, including emails, submitted to the City are public records and may be posted on the City's website. In addition, City meetings may be televised and may be accessed through the City's website. Accordingly, you may wish to omit personal information from your oral presentation or written materials as it may become part of the public record regarding an item on the agenda.

A temporary frame structure (silhouette) has been constructed on the project site outlining the height and bulk of the proposed project. This frame will be in place throughout the duration of the public comment period to better assist you and the City in assessing any potential project impacts. Only those who have submitted written comments will receive notification of the decision. The Planning Commission's decision may then be appealed, in writing, to the City Council. The appeal shall set forth the grounds for appeal and any specific action being requested by the appellant. The appeal letter must be filed within fifteen (15) calendar days of the Director's decision and must be accompanied by a \$2,275.00 appeal fee.

If you would like the opportunity to review the proposed plans, they are on file in the Community Development Department at 30940 Hawthorne Boulevard, Rancho Palos Verdes, and are available for review from 7:30 AM to 5:30 PM Monday through Thursday, and from 7:30 AM to 4:30 PM Friday.
