

## **Minutes to the May 5, 2016 Preserve Management Meeting**

**Attending: Recreation & Parks Director Cory Linder, Community Development Director Ara Mihranian, Public Works Maintenance Superintendent Sean Larvenz, Administrative Analyst Katie Lozano, Recreation Specialist David Pearce, MRCA Deputy Chief Ranger Kenn Hughes and PVPLC Executive Director Andrea Vona.**

### **Preserve Maintenance**

- Review of Active Habitat / Trail Projects / Maintenance:
  - Review of Trail Crew activities / unauthorized/spur trail closures – The PVPLC Trail Crew is working in Abalone Cove and Portuguese Bend Reserves.
  - City maintenance projects
    - Toyon / Peppertree remediation project – Superintendent Larvenz reports the irrigation process is proceeding each week.
    - Fuel modification using goats continues in the Preserve.
- City Preserve Maintenance Logs – Presented without discussion.
- Preserve Trail Maintenance Plan – PVPLC suggested that while a more comprehensive trail maintenance plan is being developed, City and PVPLC staff will bring to monthly management team meetings suggestions for trail improvements that can be made more immediately to improve safety and protect habitat. Executive Director Vona asked the City if they would be willing to remove the old asphalt lane coming off North Spur Trail in the Alta Vicente Reserve. The City will look into the request.
- Island View / Storm Drain Stairs – Analyst Lozano has contacted Los Angeles County about controlling stair access and is awaiting their reply. Deputy Director Mihranian indicated that he is in contact with the concerned H.O.A. about this issue.
- Distinguishing Roads & Trails in the Preserve / Conqueror Trail Gully Remedy Options -- PVPLC offered a list of trails that could be considered roads for City maintenance and consideration. The City will review the list and provide feedback. Deputy Director Mihranian stated that some of the road easements still need to be determined by surveys.
- Gate at Lower Portuguese Bend – Superintendent Larvenz reports this double chain link gate has been repaired. Optimal methods to control vehicular access are being analyzed by the Recreation and Parks Department.

### **Preserve Operations**

- Review of Public Events in Preserve – The PVPLC is having a volunteer work day on May 28<sup>th</sup> in the Alta Vicente Reserve and another one on June 4<sup>th</sup> with a nature walk scheduled for June 11<sup>th</sup>.
